

# ITCF Celebrity Chef Dinner

Photos by Michael Jurick

ATHLETES and chefs came together in Manhattan for this year's Israel Tennis Centers Foundation (ITCF) Celebrity Chef Dinner. Themed "Kitchen to Court," more than 250 guests supported the event. Famed chef Michael Solomonov prepared the multi-course meal and mingled with attendees while they enjoyed a cocktail hour and live auction. The funds raised will go toward scholarships to help children overcome adversity at the Israel Tennis Centers. The nonprofit focuses much of its work on combining education and tennis to teach children in turbulent parts of the world how to live successful lives.
